Admissions Policy and Procedure

Appleford School was established in 1988 by two experts in the field: Dr Peter Gardner, a highly qualified and experienced psychologist and psychotherapist and Gerald Trump who founded the first school for dyslexic children in the UK.

Appleford's aim from its inception has been and still is to provide a high quality education for children aged 7 – 18 with dyslexia and associated learning difficulties to include dyscalculia, dyspraxia, ASD and ADHD. Please note, however, we are unable to consider applications for children with Global Developmental Delay, Emotional Behavioural Difficulties and Oppositional Defiance Disorder.

We welcome applications irrespective of disability, religion, race and ethnicity. The school also welcomes applications from children of families in the services and placements by local authorities. We are a co-educational provision but due to the specific educational needs of our pupils, we can only accept children who have English as their first language.

If, after reading the school prospectus and visiting the website, you would like to learn more about Appleford, please contact our Registrar to make an appointment to meet with the Headmaster, Mr David King. The meeting will enable you to discuss your child's individual needs and give us the opportunity to explain our unique approach.

Our admissions procedure also involves sight of relevant reports including an up to date Educational Psychologist's report. The reports are reviewed by our Head of Learning Support and her therapy team to establish whether, on paper, we can meet the needs of the child. The Head of Learning Support and Registrar may also consult Heads of Department and/or boarding.

Following your visit, you may be given the opportunity to book your child in for a three day tester (day place) or three night tester (boarding place). Your child will be assessed and observed during the course of those days and we will determine whether we can meet his/her needs. If an offer of a place is made, you will have a period of three weeks in which to accept the place. Upon accepting the place, we require a £550 deposit.

The Headmaster of the school is David King whose address for correspondence during both term times and holidays is: Appleford School, Shrewton, Nr. Salisbury, Wiltshire, SP3 4HL. The Headmaster and the Proprietor may be contacted on email: registrar@appleford.wilts.sch.uk or tel: 01980 621020, fax: 01980 621366.

Prior to a child's attendance at Appleford the parents or guardians must complete and sign the:

- Registration Form
- Acceptance / Health Form
- Parental Consent Form
- Parent School Contract Standard Terms and Conditions

This provides Appleford with the following vital information, and informs the parents of the basic standards of behaviour and the attitude towards teaching and learning that the school expects and requires.

- Name, home address and date of birth of child
- Starting date
- Name, address, telephone numbers and emails of parents or guardians
- Emergency telephone numbers of parents or guardians (three different contacts required)
- Special diets

- Arrangements for collection for younger children and those with special needs that makes collection by an adult essential
- Name, address and telephone number of the child's doctor
- Illness and inoculation details
- Details of any allergies or medical needs
- Any special education needs or disabilities inclusive of specific learning difficulties
- Parental consent for emergency procedures
- Confirmation that all reports have been forwarded by parent/carer to Appleford

Children with Special Educational Needs/Disabilities

Where a child arrives with an Education, Health and Care Plan (EHCP), we will always consult with the parents and the Local Authority, to ensure that the needs of the Plan are met. We also ensure that relevant reviews, including the annual review, are carried out as required by regulation and best practice. The school will make reasonable adjustments to meet the needs of children with a Plan or children with special needs/disabilities. Our school has a policy and procedures for children with *Special Educational Needs and Disabilities* (SEND).

Overseas Pupils

Appleford has a long tradition of welcoming pupils from around the world. International pupils are fully integrated into all aspects of school life and bring diversity to the Appleford community. We have a special interest in the pastoral care of all overseas pupils and we aim to help them settle happily and smoothly into their new environment. When a new pupil arrives, they are warmly welcomed to the school routine, which may at first feel unfamiliar to them.

We require overseas pupils to have a UK guardian or an Agency, to cover any period of sickness and to cover Exeat weekends and school holidays, if necessary. All pupils must have a valid passport and visa and for non-EU pupils, we are registered with the Home Office under a Tier 4 Sponsorship Licence. We use a reputable taxi firm for airport transfers in the UK and/or their UK guardian.

Waiting List

We do operate a waiting list and places are allocated in accordance with the criteria of the admission policy. At the time of receiving an offer of a school place, parents will be advised of the process for having their child's name on a school's waiting list. Parents may keep their child's name on the waiting list of as many schools as they wish and for as long as they wish – providing they have paid the deposit.
