Statement of Procedure when parents fail to collect a pupil or when a child goes missing

The School fosters a close link with parents to ensure that pupils develop good habits and a positive attitude to school attendance. Where a pupil has not registered and the parents have not contacted the school, the School Office makes every effort to check the reason for absence by 9.30am. Pupils who arrive late report to the School Office and receive a late mark in the register. The School Office advises Class Teachers and Houseparents when they have ascertained reasons for lateness / non-attendance so that registers may be appropriately marked.

Pupils who leave school for appointments or off-site activities must be signed out before departure. Teachers may sign out groups of pupils for off-site Games lessons / School Outings and similar activities. A current activity list must be placed with the Reception for Fire wallets.

Pupils are not allowed to leave the school premises during the school day unless accompanied by a parent or a person named by the parent. Exceptions may apply where the parents have given the school written permission for a specific occasion (eg birthday party), or to allow older pupils to walk to their boarding house on Elston Lane. Any change in the arrangements for collection of a pupil must be notified to the School Office. Any proposed absence (eg for dental visits, holidays, etc) must be agreed with the Headmistress. Parents / Carers are required to complete an absence request form for all periods extending ½ a day.

After school boarding pupils in Year 10 and above are only allowed to visit the local shop and/or park without a member of staff when school has received written permission from the parent/guardian. The pupil is then only allowed to visit the local shop and/or park with the permission (each time) of the Houseparent and must be in a group of three or more pupils, with their mobile phones.

In the event of a parent / guardian failing to collect a pupil:

- The School will make every effort to contact the parents.
- If parents cannot be contacted the emergency contact numbers will be used.
- If no contact can be made on any of the given numbers and the pupil is not collected, the Headmistress will be informed.
- It will be the decision of the Headmistress as to what further action is taken and the School staff will offer every assistance as appropriate.

If a pupil is missing from class or the play area without the permission of the person in charge, the Office must be notified immediately. There are a limited number of situations where a pupil could be lost and these are:

- Where a pupil wanders off on an educational visit / off-site activity;
- Where a pupil is taken from the school by an unapproved adult
- Where a pupil absconds for a reason known only to the pupil.

A check of the premises should be made and at the same time, the pupils should be asked whether they have seen or heard anything which might help locate the missing pupil;

Follow-up

Once the situation has been resolved it is important to establish how and why the circumstance arose and to ascertain whether there is anything that the school could reasonably do to avoid a recurrence of this situation.

Appleford School is committed to safeguarding and promoting the welfare of students and expects all staff and volunteers to share this commitment. It is our aim that all students fulfil their potential.

It may be necessary to discuss with the parents steps that they could take to avoid recurrence e.g. ensuring that the school has current contact details etc
