

Appleford School

A unique path to success

Statement of Purpose – Pupil version

Appleford has been helping children succeed through school since 1988.
Our pupils go on to achieve great things, and we are here to help you succeed.

- We have lots of experienced staff to help you – you can approach any member of staff in school or boarding for support.
- Classrooms are free of distractions, with small class sizes and access to individual support such as fidget toys and movement breaks.
- Staff make the effort to understand your needs – you can talk to any member of staff, and they will help to create a learning environment that is right for you.
- We will help prepare you for life after Appleford with clubs and independent activities to get you ready.
- Staff will encourage you to develop self-confidence and pride in your abilities.
- Staff will help you feel safe and secure, with a zero-tolerance approach to bullying.
- We do not discriminate against any disability, religion, race or ethnicity, and we value what everyone brings to Appleford.
- We welcome children and staff of all beliefs and religions.
- We promote respect across the school – for yourself, your environment, your own learning and others around you.
- Our boarding houses are created as a ‘family’ atmosphere and seen as homely and structured. Staff are always available to support you throughout the day and evening as a boarder.
