Summary for children and young people

Name: Appleford School
URN: SC039141
Date of inspection: 29 September 2026

Hi everyone

My name is Martin and I am an Ofsted inspector. I visited your school the other day with my colleagues, Clare and Nickie, so that we could see what staying at your school is like for you.

It was great to meet you all. Thank you for spending time with us and making us feel so welcome.

After chatting to you and the adults, and having a look around, we judged the residential provision at your school to be:

You told us:

- You like spending time with your friends and doing lots of different activities together.
- You get along well with the adults who look after you and you can talk to them when you are worried about something.
- You feel listened to and there are lots of different ways that you can share your thoughts and views.
- You would like to have later bedtimes, less prep and more tech time.

Thank you so much for helping us to reach our decision. It was really nice to see how well you get along with each other and the adults who look after you.

We shared our feedback with Mr Langan. If you would like to know more about what we said, you can ask him ☺

Thanks again for spending time with us.

Take care,
Martin, Clare and Nickie
